

## **Cooperation** **UN Staff Council Vienna - medsyn medical center**

Medsyn medical Center is a modern centre of doctors and therapists with a wide range of specialties, therefore enabling holistic medical treatment. Our priority is supporting our patients health and wellbeing and to positively influence their quality of life. Our desire is to offer a treatment plan fitted to the individual needs by assessing the patients and taking their special needs/requirements into account. Besides the qualification of our team of doctors and therapists we strongly emphasise trust in our collective therapies and treatments.

We are a team of highly qualified doctors and therapists with a great diversity of specialties united in one location. By our sharing of knowledge, supporting each other and working together our patients benefit from the entire team in a One Stop-Shop-Principle.

Our medical fields include:

- Orthopedics / Orthopaedic Surgery / Traumatology
- Internal Medicine
- Neurology
- Pediatrics
- Neurosurgery
- Dermatology
- Psychotherapy
- Physiotherapy & Therapist Massage
- Osteopathy

*We can specifically offer the UN Staff Council Members:*

### **1. Priority Appointments**

Guaranteed Doctors and Therapists appointments same day or as fast as possible.

### **2. Flexibility in scheduling appointments**

For UN Staff Council members we offer the highest degree of flexibility in scheduling your treatments and therapies, even on weekends and evenings. The waiting time in our medical center will be reduced to a minimum.

### **3. Organizing Hospital Stays**

If a hospitalization is needed, we provide full planning of your stay, daily visitations and if applicable operations are conducted by our highly professional staff.

#### **4. Partnership**

Due to our extended network of professionals, almost all exams and therapies in the medical field can be managed and organized through us or can even be accomplished in our practice, including blood work, ultrasound, echocardiography, etc.

#### **5. Therapeutic Tools**

We offer patients of the UN Staff Council Vienna a wide range of therapeutic tools, which are provided first hand in our practice, including Shoe Inlays, therapeutic girdles, crutches, bandages, etc.

#### **6. Internationality**

A wide range of languages are spoken by the staff and we provide our patients with english language information material and can even offer international newspapers and magazines in our waiting area.

#### **7. Publication**

We are offering you to publish specific information material on our cooperation for your staff members in various languages.

#### **8. Location / Parking**

Our medical center is conveniently located in Vienna's 19th district. Due to our location we are easily accessible and we have reserved parking lots. The intention of our bright, modern furnished and spacious rooms is to make our patients feel comfortable.

#### **9. Reduced Fees**

As we feel, that it is a privilege offering your staff our services, we can offer reduced fees of up to 25% depending on the services. We can provide you with a detailed listing of prices if needed

#### **10. Medical Insurance**

If you need any help to reimburse your fees with your medical Insurance, we provide full support, including correspondence, detailed medical reports, etc.
