

Your private Softub is waiting for you!

Softub spas offer top-class whirlpools with maximum flexibility - a great way to relax and unwind after a stressful day.

The highlights at a glance:

- Easy to use and simple to install: Softub is the world's most portable and energy efficient spa.
- The soft Polybond foam interior makes the Softub as cosy and comfortable as a leather sofa.
- A Softub is the quintessence of design, style and superior quality
- Softubs are equipped with advanced Whisper technology which makes them the most silent spas in the world.
- The automatic purification guarantee you to relax in crystal clear water.
- Leathertex, the robust outer material withstand almost any weather conditions.

Exclusive offer for contributing members of the VIC STAFF Associations / Unions:

- 10%
