After months of loving preparation, the exclusive Shofah Spa in the 9th district opened in February 2008, introducing a part of Thailand to Vienna.

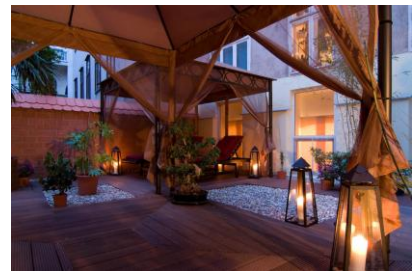

The Shofah symbol, pointing upwards like a flame, stands for the positive connection between heaven and earth.

An air of harmony permeates every detail at the Shofah Spa. There are not only single-bed massage rooms with their own showers, but also two VIP areas with two massage beds for those who prefer to be pampered in tandem.

Our massages can be combined with our 'room of hot stones' – the tepidarium – and/or a relaxing bath in our Jacuzzi.

After your treatment, the lounge or our Shofah gardens in spring and summer offer the perfect setting to unwind even further with fresh exotic fruits, exceptional fruit juices and Asian tea.

The Shofah Spa is the perfect destination to recharge your batteries.

After a short time-out in this hideaway you will return to your everyday life relaxed and full of energy.

We also have seasonal special offers for you to enjoy, which you can find at www.shofah.at

Our friendly reception staff will be happy to provide you with additional information.
