

Spanish as a Foreign Language Courses for Adults

Special Offer for Contributing Members of the VIC Staff Associations/Unions

The Instituto Cervantes, with more than 85 centres spread over five continents, is the largest public institution in the world dedicated, since 1991, to the teaching of Spanish and the co-official languages of Spain, as well as to the dissemination of the culture of Spanish-speaking countries.

The range of courses offered by the Instituto Cervantes in Vienna includes general Spanish language courses from level A1 to C2 of the Common European Framework of Reference for Languages (CEFR), courses in other co-official languages in Spain, preparation courses for the DELE certificate and special courses on various topics (Literature, Art, Flamenco... among others). Our classes are both face-to-face and online.

All our courses have a reduced number of participants and experienced native teachers.
