

We are a modern service-oriented notary's office that combines academic knowledge with many years of practice. We will be happy to advise you with regard to your individual situation and provide you with tailor-made legal solutions.

We offer notarial services at special conditions in the following areas:

- » Real estate transactions (purchase agreements, donation agreements, trusts)
- » Last wills and testaments
- » Durable powers of attorney
- » Probate proceedings
- » English legalizations and notarial deeds
