## Special Thyroid Gland Medical Care packages

### Exclusive Offer for Contributing Members of the VIC STAFF Associations / Union, 10% reduction from normal costs upon presentation of Membership card

The practice for Thyroid Health in the North of Vienna is specialized in the diagnosis and treatment of thyroid gland diseases and performs the one-stop-shop concept: with just one visit the examinations concerning the thyroid gland can be done. In most cases diagnosis can be performed within 24 hours and so patients get the right treatment as quickly as possible.

The following languages are spoken: **English, German, Spanish, Portuguese and French.**

#### Basic Examination

- Medical history
- Thyroid clinical examination
- Laboratory analysis (thyroid function, thyroid antibody levels, thyroid tumor markers)
- Thyroid ultrasound (to visualize the size, morphology and nodules of the thyroid gland)
- Discussion of medical findings
- Final medical report and treatment recommendation

Prices: First appointment: € 130,-

Control without ultrasound: € 60,-

Control with ultrasound: € 90,-

If in addition **thyroid scintigraphy** (to evaluate the function of the thyroid gland and to detect cold or hot thyroid nodules) is needed within the first appointment, an additional of € 70,- will be charged.

#### Scintigraphy only (patient should bring a recent thyroid ultrasound to the appointment)
