

VITALITÉ ESTHETICS

VITALITE ESTHETICS is the modern cosmetology in the heart of Vienna, where we combine progressive global technologies with an individual approach to each client.

We thoroughly study the latest methods of skin and body care to offer the best solutions available in the field today.

We believe that self care is closely connected to good health, increases vitality, and reduces stress levels in the modern world. On the path of caring for your body, we help you restore your vitality and enhance your natural skin radiance.

We exist to help restore your vitality and enhance your natural radiance!

Our approach is always comprehensive. We carefully analyze each client and provide a treatment or a combination of treatments that will effectively and quickly address their specific concerns. We understand that modern individuals value their time and trust those who guarantee results.

Currently, we have state-of-the-art technologies for thorough and healthy skin cleansing, hydration, nourishment, anti-aging treatments, skin tightening, body contouring, cellulite reduction, and laser hair removal.

We offer for all UN members a [regular discount of 15%](#) on all our services. Just use the code [UN Partner](#).

Please note that this special offer is exclusively available to active members of the VIC STAFF Associations/Unions who have made contributions. The discount will be applied during checkout and cannot be combined with any other discount codes.
